

Who Is the King of the Jungle

Original Song © 1978 by Annie Bush Spiers

E

Who is the King of the jungle? (ooh, ooh)

[curl and move your arms like a monkey]

B

Who is the King of the sea? (ba, ba, ba, ba, ba)

[put palms together and swish them in front of you like a fish]

Who is the King of the universe?

[circle arms in front of you]

E

And who's the King of me?

[point to self with thumb]

(I'll tell you) J - E - S - U - S

[sign or pretend to spell letters in the air]

Yes! [put hands beside mouth]

A

He is the King of me

[point to self]

B

He is the King of the universe

[circle arms in front of you]

E

The jungle and the sea

[curl and move arms like a monkey then put palms together and swish them in front of you]
